Hi Stephanie!

No worries! That works for me, I am almost done working on the draft cover letter and was about to send it to you. This will give you an opportunity to glance at it before our call.

Hi Supinder,

I just had an RA briefing for another site and we need to follow up. Can we move this to 11:00 tomorrow morning?

I'm so sorry.

Thanks,
Stephanie

Hi Stephanie,

I am working on drafting the cover letter to Geosyntec directing them how to revise the Feasibility Study according to the changes made in the executive summary. Currently, I'm comparing the original ES, the EPA RLSO ES, and the draft FS from July 2018. I wanted to block some time next week so we could go over the cover letter and the ES (partially to give myself a deadline).

Let me know if this time works for you.

Thank you!!

Supinder
